able to pierce the at Alexander field.

Punahou defense. Midkiff thinks that the line will hold the charges of the mmering backs. Take your choice. The game should be an open game. ou has two fast men in Napia and Corres and these men shoul in around the college ends. Kau-ne and Bromiey will have an adis point Punahou has a chance. Then gain the college line has not showed p as well this year as the Punahou rwards, and Napihus and Correa are ound to wriggle through for a few.

Correa got off a number of good unts in the last game, two of them oing for over 55 yards, and Puna-ou is expected to hold her own in is department. Gifford and Bald-in should hold their own with the ollege tackles as both played stendy afensive games in the contest with am. If you take the scores of the year, Punahou has the advantage, but cheeck and McAuley would town are about evenly divided on who in the game tomorrow when will win in the coming contest.

didkin's warriors ers, as a defeat in this game will give

sches Peden and Midkiff are both onfident that they will bring home a victory in the coming game, and both have their followers. It should be a grand game of football. Around-town they are predicting that it will to hit the line. Neither clash. Neither team appears to have enough advantage to warrant my presion, the former Punahou dopesters are passing this game up

Alexander field has been roped off for the occasion, and a crowd larger than any that has yet witnessed a football game in the city this year, is expected to be on hand. The young that all three back era. The game will begin at 3 o'clock
